

JCO

Journal of Contemporary Orthodontics

Volume - 4, Issue - 1, Year - 2020 (www.jco-ios.org)

The Journal of Contemporary Orthodontics is an open access, peer-reviewed, publishing quarterly, and is an official journal of the Indian Orthodontic Society. It is a clinically oriented journal, relating to the specialty of Orthodontics and Dentofacial Orthopedics with the objective of disseminating peer-reviewed, quality scientific material. The journal invites original research, systematic reviews, case reports, innovations, technique clinics, book reviews, and other related manuscripts for publishing. The journal has an [more...](#)

Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.jco-ios.org/info/author> and be submitted by **2025-02-02**.

The advertisement is a screenshot of a website for the Manuscript Peer-Review Process (MPRP). The header features the MRP logo, the text 'Manuscript Peer-Review Process', and contact information including an email address (support, editoroffice@ipinnovative.com) and a support phone number (+91-11-61364114, 61364115 | 9650439448 | 885). A navigation menu includes links for 'About MRP', 'Journals', 'Support and Training', 'Contact Us', 'Track article status', 'Register', and 'Login'. The main content area is titled 'Manuscript Peer-Review Process' and describes the web-based portal's features, such as 24/7 access, editorial services, and integration with social and professional networks. It also mentions that MRP is an in-house product of IP Innovative Publication Pvt. Ltd. and currently runs with around 50+ journals. An illustration shows a person at a desk with a laptop, surrounded by icons representing various aspects of the publication process. A small 'IPG' logo is visible in the bottom right corner of the screenshot.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
